Acrylic Modified Polyester Solid Surface Material

Version 2.0

Revision Date 07/09/2015

Ref. 130000121323

This document is for information only, provided voluntarily and not subsequent to regulatory requirement.

PRODUCT AND CONTACT INFORMATION

Product identifier
Product name: Acrylic Modified Polyester Solid Surface Material
Company: DuPont Building Innovations
974 Centre Road
Wilmington, Delaware 19805
Telephone: 1-302-774-1000

Emergency telephone number
Emergency contact: 1-800-441-3637 (outside the U.S. 1-302-774-1139)

HAZARDS IDENTIFICATION

Emergency Overview
This product has no known adverse effect on human health.
Additives in this product do not present a respiration hazard unless the product is ground to a powder of respirable size and the dust is inhaled. All dusts are potentially injurious to the respiratory tract if respirable particles are generated and inhaled. May cause eye and skin irritation.

Physical and chemical properties
Form: solid
Color: various
Odor: odourless
Water solubility: Not applicable

Stability and reactivity
Hazardous decomposition products: Decomposition does not occur under normal use conditions.

INFORMATION ON INGREDIENTS

OSHA Hazard Communication Standard (29 CFR 1910.1200) requirements for Material Safety Data Sheets do not apply to this product. This product is excluded as an article. Information on potential hazards associated with product fabrication and/or installation are discussed in this datasheet.

FIRST AID MEASURES

Description of first aid measures

General advice: No hazards which require special first aid measures.

FIREFIGHTING MEASURES

Special hazards arising from the article

Specific hazards during firefighting:
- Burning is accompanied by melting and dripping which may cause the fire to spread.
- In fire conditions, toxic decomposition products may be formed. Hazardous combustion products may include: Carbon monoxide Carbon dioxide (CO2)

Advice for firefighters:
- Special protective equipment for firefighters: Wear self-contained breathing apparatus and protective suit.
- Further information: Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

6. ACCIDENTAL RELEASE MEASURES

Methods and materials for containment and cleaning up

Methods for cleaning up: Not applicable

HANDLING AND STORAGE

Precautions for safe handling
Advice on safe handling : No special precautions required.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Personal protective equipment
Respiratory protection : Respiratory protection should not be required for normal use and handling. When workers are facing concentrations above the exposure limit they must use appropriate certified respirators.

Exposure Guidelines

Respirable fraction.

DISPOSAL CONSIDERATIONS

Waste treatment methods
Product : Where possible recycling is preferred to disposal or incineration.

REGULATORY INFORMATION

California Prop. 65: Chemicals known to the State of California to cause cancer, birth defects or any other harm: none known
