## DUPONT™ ZODIAQ® COUNTERTOP SEAMLESSLY JOINS A DUPONT™ CORIAN® SINK

We've taken the stunning aesthetic of Zodiaq® natural quartz surface and combined it with the proven performance and durability of a Corian® integrated sink. The results are dynamic and modern and can be used as easily in traditional settings as they can in contemporary spaces. A winning combination — backed by DuPont's 10-year limited warranty. That's right — the top and the sink are covered when installed by a certified fabricator in accordance with DuPont installation guidelines.

## THE TRUE BEAUTY OF DUPONT™ ZODIAQ®

### STAIN RESISTANT

A nonporous surface, Zodiaq® quartz surface resists stains from wine, food coloring, fruit juices, paints and even nail polish.

### DURABLE

Zodiaq® surfaces are made with quartz crystals, extremely hard minerals that resist scratches and minimize short- and long-term maintenance.

### HEAT RESISTANT

Zodiaq® quartz surface is heat resistant, but the use of trivets and heat pads is recommended.

### STANDARDS COMPLIANT

Most Zodiaq® colors are NSF/ANSI Standard 51 Certified for contact with all food types. They are also Class I (Class A) fire rated.

### CLEAN

When properly cleaned, Zodiaq® surfaces do not support the growth of mold, mildew or bacteria.

### TRUSTED AND SUPPORTED

Zodiaq® is backed by a 10-year limited product warranty.

### CAREFREE

Unlike other materials, you never have to seal, polish or recondition the surface to maintain its luster. DuPont™ Zodiaq® quartz surface is easily cleaned with soap and water and does not require sealants or waxes.

### CONTRIBUTES TO SUSTAINABLE DESIGN

Zodiaq® quartz surface and its adhesives meet emissions guidelines for volatile organic compounds, are low-emitting and are nontoxic and nonallergenic for humans. Zodiaq® is GREENGUARD Indoor Air Quality Certified®.
